**AGREEMENT**

Business Owner(s) authorize River Basin Rentals, L.L.C. ("River Basin") to obtain a consumer credit report and a business credit report for use in assessing his/her personal creditworthiness in connection with an Application by Business, of which Business Owner is an employee, principal, owner, partner, officer, or guarantor, for said Financing Agreement. River Basin may need such consumer reports because Business Owner may have a direct, contingent, present or future liability to River Basin for the Business's obligation in connection with the Account. All applicants agree that, as long as the Account is open, we may obtain credit reports about the applicants from time to time. This Application must be signed by a Business Owner with the authority to bind the Business to the terms of the Lease Purchase Application and/or Agreement. The Business Owner, or his/her authorized Representative, certifies that the execution, delivery and performance of this Application has been authorized by all necessary corporate action by the Business, and will provide evidence of such action upon request. If the Business is approved, the Business Owner or Representative requests and directs River Basin to open an account. The Business Owner(s) and the Business shall be jointly and severally liable for all charges per the Agreement(s).
